THE BLESSINGS OF MINISTRY TO CHILDREN:

We had an amazing week of Vacation Bible School during the month of June, with 49 children registered, more than half of whom were from our community. We appreciated the ministry of YADAH, with their puppets and music, and were so grateful for the many volunteers who worked tirelessly before, during, and after VBS to impact the children for Christ. Only eternity will reveal the lives that were changed because of our outreach.

Ministries to children are so needed in the world in which we are living. Children and young people are being bombarded through the airwaves and Internet with messages that are appealing but dangerous to their spiritual development. They do not possess the critical thinking skills to discern truth from error, so it is vital for parents and the church to constantly and consistently speak into their lives the truth with grace that can protect them from the invitations of the world to lead them down the wrong path. It is vital that we all pray for these young ones, for God's truth to take deep root in all of our hearts.

We had a group of middle-school youth at VBS this year for the first time, and one of the projects they took on to bless the community was to clean up the flower beds around the sign at Northern Middle School. A few photos are included below:
