LET'S PRAY

"We do not know what to do, but our eyes are on you" (2 Chron. 20: 12b).

A delegation from Franklinton attended the UBIC National Conference in July in Bowling Green, Ohio. Our bishop challenged us to focus on prayer for the next 2 years, so that we might cultivate a culture of prayer within all of our congregations.

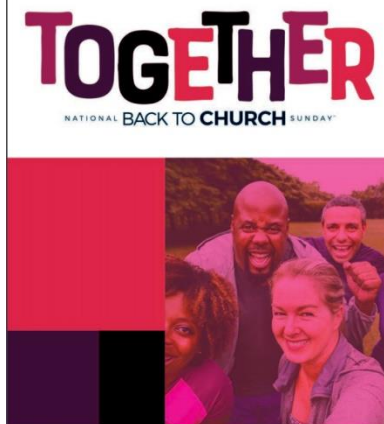

Prayer is vital for our own individual relationship with God. Prayer is more than merely telling God what we need, or offering him advice in how he could better order the universe for the advancement of our comfort and self-fulfillment. Prayer is the invitation of a loving Heavenly Father to enter into a personal, intimate relationship with him, and by it we grow into a deeper love for God, and we experience his outpouring of love upon us.

Prayer is vital for the fulfillment of the reasons for our existence as a church. God has raised us up as a church in order that we might faithfully proclaim the Gospel, be relationally-connected with each other, and be missionally-engaged with our neighborhoods and the nations of the world. This is far beyond our abilities or resources to accomplish, but with God, ALL things are possible. So, church, **LET'S PRAY!**
